

## **Videography & Photography Intern: FC Tulsa**

This is an unpaid, college credit internship. The dates and length of the internship are flexible.

### **Overview:**

Tulsa's professional soccer team is seeking a Videography and Photography Intern to assist the full-time Creative Services staff. The successful applicant will gain experience with event, sports, and studio shooting, along with editing and content management, in one semester. Tasks will include gathering team photo and video content, editing and archiving assets, and assisting the digital and design teams with organization and delivery of content. A large part of this internship is focused on video and photo asset management, including tagging photos with keywords, logging video clips, gathering selects from match footage, and organizing these assets into appropriate folders on hard drives and cloud services. The ideal applicant will be a self-starter, eager to advance their photography and videography abilities, and ready to help take on the challenges that come with building a professional sports brand in a startup environment.

Our motto "For Tulsa" is at the center of all that we do.

### **Duties & Responsibilities:**

- Shoot photos and/or videos of team training sessions.
- Shoot photos and/or videos during game days and other events as needed.
- Use Adobe Premiere to log video footage and export best clips for archival.
- Assist in editing videos, including interview segments, highlight reels, commercials, social media content, sponsorship pieces, and in-game features.
- Organize and archive video content using existing structure to provide quick and easy access to clips.
- Assist with editing photos in Lightroom and organize/archive these photos on appropriate platforms.
- Ability to work on holidays, weekends, and nights in accordance with FC Tulsa's match schedule.
- Attend at least one community engagement event per month.

### **Desired Qualifications:**

- Some hands-on photography and/or videography experience is highly preferred.
- Some experience using Adobe Premiere Pro, After Effects, Photoshop, and Lightroom is preferred.
- Ability to focus for long periods of time to tag photos with keywords and organize video clips.
- Experience using Google Workplace apps such as Docs, Drive, Gmail, Calendar, and Meet.
- Ability to contribute creative solutions in a collaborative environment.
- Strong communication skills and attention to detail is required.

- Must be very motivated to advance skill and knowledge of photography and/or video production.
- Ability to maintain a high level of professionalism within a professional sports environment and in media work zones.
- A fan of sports and specifically of soccer.

**Requirements:**

- Enrolled in an undergraduate or graduate program and eligible for college credit.
- Available 20-25 hours per week, including nights, weekends and game days.

We are an equal opportunity employer and all qualified applicants will receive consideration for the internship without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law.
